

## How to check VFAD e-report through VRS Online?

1. Logon to [www.vfad.com.my/vrsonline](http://www.vfad.com.my/vrsonline)
2. Key in User ID and Password
3. To view analysis report, select 'Reports' and choose the year you wish to check/view.
4. Some reports might come with attachment(s), click on 'attachment' under 'Options' to open the file.
5. For those reports without attachment, click on 'look up' icon under 'Options' to view the result.

### Example:

The screenshot shows the 'VetLab Reporting System Online' interface. The navigation menu includes 'Dashboard', 'Reports', and 'Settings', with 'Reports' selected. Below the menu, there are tabs for '2018 Reports', '2017 Reports', 'NDHI Analysis', and 'EDS Analysis'. The main content area displays a table titled 'List 2018 Report(s)'. The table has columns for 'No.', 'Date', 'Lab Ref.', 'Sender Ref.', and 'Options'. The 'Options' column contains icons for 'Attachment' (a document icon) and 'Cover page' (a red 'X' icon). Red arrows in the original image point to these icons in the first two rows of the table.

No.	Date	Lab Ref.	Sender Ref.	Options
31.	2018-01-17	20180366	RO Water - POU 9	Attachment
32.	2018-01-16	20180300	Rhonomox 50 FG BN: FP015/17/N01-N05 SM1, SM2	Cover page
33.	2018-01-16	20180301	Rhonomox 50 FG BN: FP015/17/N01-N05 RB1-RB4	
34.	2018-01-16	20180303	Rhonomox 50 FG FP015/17/N01-N05 RB5, RB6	
35.	2018-01-12	20180227	Rhonomox 50 WSP BN: FP019/17/N01 A04	
36.	2018-01-10	20180108A	Pou 1, Pou 2, Pou 3	
37.	2018-01-08	20180111	SM1, SM2, G02, A02	
38.	2018-01-08	20180110	CB1, CB2, CB3, CB4

## Features

1. Fast and immediate. The online results can be viewed immediately upon approval of the test report by SAMM authorized Signatories.
2. All e-reports will be kept online up to 2 years.
3. Only the qualified personnel with confidential user ID and password are permissible to view the e-reports online. You may change your account password whenever needed.
4. You can change or add qualified personnel to receive VFAD's e-report notification email through "Settings" feature in VRS Online. You may register few email addresses to receive the notification when your test report is ready.
5. You may tabulate NDHI and EDS HI results in graph based on "Age" or "Designated period" of selected sample ID.
